

## Letitia Kinzbach Keller

Letitia's funeral service was conducted on May 26, 2012, in the Russian Orthodox Church tradition, with her son, The Reverend Father Aidan Keller, officiating. Family and friends whose lives had been touched by Letitia, especially her children, grandchildren, and her sister, Cynthia (Lamar '62), came to honor her. The attending "Lamar Crew" later shared many fond memories.

I am sure that all would agree with Betty Sue Ellington Hill's remark, "Letitia was such a giving, loving, and talented classmate and friend. She was one of the 'shining stars' in our teen lives as Pershing and Lanier kids merged and melded into the Lamar *Fifty-Niners*. Letitia and our classmates, Jack Drummond and William Hamlett, were very brave and showed such grace under pressure that they will not be soon forgotten. They always had a smile for us in good times and in bad."

Letitia impacted the lives of those around her throughout the years with her unconditional love, kindness, guidance, and wisdom. She will certainly be missed.

In loving memory of Letitia by Betty Sue Ellington Hill
